TWKH100RGB-T

Twinkly Candies – App-Controlled Heart-shaped LED Light String with 100 RGB (16 Million Colors) LEDs. 6 Meters / 20 Feet. Clear Wire. USB-C-Powered. Indoor Smart Home Lighting Decoration

## DESCRIPTION

Discover Twinkly Candies, smart decorative lights that effortlessly bring enchantment into your living space. These captivating shapes of Candles, Pearls, Stars, and Hearts will magically bring charm to any room, making them the perfect choice for DIY enthusiasts and tech-savvy individuals. Whether you want to create a cozy glow in your child's room, craft mesmerizing streaming setups, elevate holiday celebrations, or add a personalized touch to your interior. Twinkly Candies are the ultimate portable and customizable lighting solution in more than 16 millions colors, thanks to its lightweight USB-C powered design that knows no bounds.

## FEATURES

Premium lightweight design with playful shapes: delight in the charming shapes of Hearts, adding a touch of wonder to your home decor. With their lightweight, Candies are a portable wonder thanks to its USB-C powered design.

Create magic in any setting: Twinkly Candies are the perfect addition to any occasion, be it for cozy nights, festive celebrations, gaming adventures, or streaming setups. Illuminate your world with Twinkly Candies' limitless charm, creating moments of awe and joy in every corner of your home.

Boundless personalization with 16 million colors: unleash your creativity using the Twinkly app, offering an endless palette of colors, hues and shades. Customize your lighting effects to match your unique style, transforming your living space into a playful canvas of radiant colors and ambiance.

Smart device controlled by app: Twinkly Candies bring enchantment to your space with seamless Bluetooth and Wi-Fi connectivity. Effortlessly control them via the user-friendly Twinkly app, enhancing your home decor with the magic of smart decorative lighting.

Mesmerizing audio-visual experience: watch your lights dance to Twinkly Music (sold separately), a smart microphone that interprets ambient sounds and music in your space and applies synchronized colors and effects in real time.

## LONG DESCRIPTION

Discover Twinkly Candies, smart decorative lights that effortlessly bring enchantment into your living space. These captivating shapes of Candles, Pearls, Stars, and Hearts will magically bring charm to any room, making them the perfect choice for DIY enthusiasts and tech-savvy individuals. Whether you want to create a cozy glow in your child's room, craft mesmerizing streaming setups, elevate holiday celebrations, or add a personalized touch to your interior. Twinkly Candies are the ultimate portable and customizable lighting solution in more than 16 millions colors, thanks to its lightweight USB-C powered design that knows no bounds.

Easily configure Twinkly Candies via Bluetooth® and Wi-Fi and watch the Twinkly App work its magic as it scans and maps each bulb. Group them with other Twinkly devices for larger, synchronized decorative displays. Enjoy the convenience of voice control through Amazon Alexa and Google Assistant for a hands-free experience.

For even more impressive decorations, enhance your Twinkly Candies with Twinkly Music, a USB device with a built-in microphone that interprets ambient sounds and music, syncing the perfect colors and effects with your lights, creating a mesmerizing audio-visual symphony. And if you're a gamer, get ready for an immersive experience! Twinkly seamlessly integrates with Razer Chroma™ RGB and OMEN Light Studio, elevating your gaming sessions with stunning lighting effects that react to your gameplay, taking your gaming adventure to a whole new level of excitement.

## HIGHLIGHTS

- Heart-shaped Multicolor RGB LEDs – 16 million colors with vibrant and dynamic lighting options
